SERIES

Introducing the Tombstone series, a collaboration between Neven Eyewear and Tim Howley (Fit For An Autopsy / Tombstone Hardware). This collection embodies the open road's free spirit with a coastal edge, blending laidback luxury and Tim's rugged style for an effortlessly cool look. The Lowrider channels muscle cars, the Malibu evokes Pacific Coast Highway vibes, the South Shore captures Long Island's surf culture, and the '68 pays homage to choppers with rich tones. Each pair features unique coffin stamps, seamlessly fusing gothic cool, urban, coastal, and rugged Americana influences.
